Brezza

In the Brezza armchair by Alessandro Stabile, the frame and cushions connect in a new way,.

The upholstered parts fit into the frame and are fixed very easily by interlocking with one another. The generous padding leaves the round-section metal legs visible, which give strength and recognisability to the armchair. In Brezza, the eco-friendly.

Brezza Relax

A generous cushion language for open-air ease.

Brezza Relax brings padded comfort into outdoor spaces with a softly rounded backrest and a raised frame that keeps the seat visually light. It is made for relaxed corners where the atmosphere should feel informal, clean, and considered.

Brezza Relax

The Brezza collection is enriched with a new, unexpected addition: the padded Brezza Relax armchair.

Designed for outdoor spaces, it draws inspiration from the archetypal shape of two large cushions placed side by side, forming a seat with a generously rounded backrest. A metal frame raises the upholstery a few centimetres off the.

Si-Si

Eclectic, chameleon-like, and multi-material chair, Si-Si is above all a smart chair that does not base.

A single body, fixed to the slender frame, can act either as a backrest or as a seat. Hence the name Si-Si, a sound repeated twice that pays homage to the duplicity of this element. One frame and.

NEXT STEP

Build the outdoor room before choosing the furniture.

Begin with the rituals: morning coffee, poolside pause, evening dining, late conversation. Aurelia Patio can help translate those rituals into a setting with the right scale, material direction, and product mix.
